

**Presentation to the Scottish Parliament Cross Party Group on Deafness
26 November 2003: Summary of handout**

Slide No.	Content
3-5	Why the project was initiated
6-7	Major goal and response rates to date
8	International significance
9-10	National significance:
	<ul style="list-style-type: none"> • Adding value to legislation/policies by tracking effects on the Scottish population of deaf children
11	<ul style="list-style-type: none"> • Voluntary Organisations
12-14	Examples of national data:
	Summary of types of information collected
	Some examples of data from 2000/01:
15	<ul style="list-style-type: none"> • Accurate numbers of children known to deaf education services (complements ScotXEd information re deaf children with Records of Needs)
16	<ul style="list-style-type: none"> • Types of placement (enriches ScotXEd information re changes to placement patterns - such as proportion of deaf children in mainstream schools)
17	<ul style="list-style-type: none"> • Attainment (a) (enriches ScotXEd information on deaf pupil attainments and allows comparison with the total Scottish school population.
18	<ul style="list-style-type: none"> • Attainment (b) (enriches ScotXEd information by allowing comparisons among deaf pupil sub-groups, for example among different levels of deafness, placement types etc)
	Significance at local authority/service level:
19	<ul style="list-style-type: none"> • Audit Scotland/HMIE statement
20-21	<ul style="list-style-type: none"> • Standalone database development
22	<ul style="list-style-type: none"> • Example of local authority breakdown of data - deaf children population
23	<ul style="list-style-type: none"> • Example of individual service data (anonymised) compared to national data - preschool language assessments undertaken over one year
24-25	<ul style="list-style-type: none"> • Statements from Teacher of Deaf Children/Head of HI Services
26-30	Deaf perspectives
31	Related areas:
	Family Survey
	Teacher Survey
32-36	Some quotes from other stakeholders
