

## **Application for postgraduate study**

### **Outdoor Environmental & Sustainability Education**

Please provide a statement on ONE page, which will support your application ensuring that you include the following points:

- an outline of any teaching (indoor and/or outdoor) you have been involved in, or other relevant experience
- your reasons for wishing to join the Programme
- why you value the outdoors as a place of learning
- how you might incorporate the outdoors into your work in the future

Please include your personal statement with your application and other supporting documents and send to the address below
