***Blended Learning***

A blended learning course involves part of the 24 hour taught element delivered on campus and part online from home or school. Dates given under 'Course Dates' indicate which days are delivered on campus and which are online. It is important that participants plan to undertake the online study on or around the days indicated as collaborative discussion will be required with fellow participants. Please note the above courses are only available by blended learning.

***Technical requirements***

To complete a course by blended learning participants require access to a computer with broadband and a web browser such as Firefox or Safari. A PC should be Pentium 4 with Windows XP or above and a Mac should be G4 or later with OSX 10.4 or above.
